Re: **Reclamation Demand**

Dear Grace and Dave:

As you are aware, Primus Metals, Inc. has sold and delivered to Delphi Medical Systems ("DMS"), in the ordinary course of our business, numerous machined metal and plastic components for medical products (the "Goods"). As you also are aware, DMS did not make payment for many of these Goods, including Goods it received over the last ten days, prior to filing for Chapter 11 bankruptcy protection on October 8, 2005. It is now our belief that DMS received these Goods (a specific list will be provided to you shortly) on credit while DMS was insolvent and therefore we are demanding, pursuant to Section 2-702 of the Uniform Commercial Code and Section 546(c) of the United States Bankruptcy Code, that you make these Goods, wherever they may be located, immediately available to us. You are now on notice that in light of this demand, DMS has no legal right to dispose of these Goods by sale or otherwise or the change their character in any way. Please contact us immediately so that we may arrange to reclaim these Goods.

Sincerely,

Primus Metals, Inc.
